

Doctoral CGDE Workshop 2023: Call for Papers

Dear members of the CGDE network,

We invite you to submit your papers to the 10th Doctoral CGDE Workshop to be held at

Friedrich Schiller University Jena

on

March 2-3, 2023

The workshop will start around noon and will end the next day in the afternoon.

There will be 50 minutes for each paper. This includes presentation, comments provided by a discussant (planned), and the general discussion. In the evening of March 2, an informal get-together at a local pub is planned to continue discussion with the CGDE network members.

Please submit your paper (extended abstract) until January 31, 2023 to: susanne.buechner@uni-jena.de

The program will be communicated in the second half of February at: <http://cgde.wifa.uni-leipzig.de>

All PhD students and Post-Docs in the network are encouraged to submit their papers. Senior researchers are also cordially invited to participate.

We look forward to seeing you in Jena,
